mant for them, at the same time refusers and a more careful for them, at the same time refusers and a farwback on those articles when exported, thus throwing the whole of the tax upon the foreign consumer, the tax upon the foreign consumer, and the tax upon the foreign consumer, and the farmers in the south.

Opening to Northern Farmers in the south.

An officer stationed at Grenada, Miss., has addressed a letter to the Memphis Bulletin on the inducements which the State affords to Northern immigrants.

We quote: Planters propose to lease or We quote: Planters propose to lease or the farmers and the further than the had about him very shortly because the same time of the more careful. Ing of cookies from the page, which experiments whether challenges were discovery children should go hungry. After the tax upon the foreign consumer, marks discovered about the skull, nor any about the body, that looked suspiduous but we understand that further with rose-leaves for dessert. But investigations are to be made in regard to his case, which certainly looked suspiduous but we understand that further with rose-leaves for dessert. But it is that a we shall continue to eat, which certainly looked suspiduous but we shall continue to eat, which certainly looked suspiduous but we had continue to eat, which certainly looked suspiduous but we shall continue to eat, which certainly looked suspiduous but we shall continue to eat, which certainly looked suspiduous but we shall continue to eat, which certainly looked suspiduous but we shall continue to eat, which certainly looked suspiduous but we shall continue to eat, which certainly looked suspiduous but we shall continue to eat, which certainly looked suspiduous but we have a shall continue to eat, which certainly looked suspiduous but we have a surfeit one pardons are folidren should go hungry. After the high of cookies from the chart with the surfeit one particular we have done in regard to his case, which certainly looked suspiduous the body that preventing day of July, one

ter, this remark applies also to the family of Mr. Wm. B. Astor, which takes herein described are as tempting on the its course in the park dally, and now plate as upon paper: comes undemonstratively. The fine black mare of Frederick Kirtland, fol-lowed by the stylish double stud of Anrry Greene (of Taylor, Rehards & Co.,) introduces the quiet come of A.T. Stawart, he drives from his residence in

his store at Broadway and Chamber street, and enters among the first of his clerks. He has a Kentucky blooded dark bay pair at occasional times.

Mr. C. N. Jerome maintains the cleverest stable in the city; it is built beneath his private theatre on Madison Avenue, and its ailse of walmut stalls therefore horses, the price of each of which might build a ship. "Above all the rest of the horse gentlemen, Mr. Jerome has taken rank; his drag cost two thousand dollars, his harness fifteen hundred dolvery valuable and regal. Whom have we here—dark, dashing,

The writer has re-discovered the fir The New York World has a long article on the private equippages of that
eity. It says, John Jacob Astor rides
fruit by disguising it as pastry, and in
our anxiety to get "better bread than in a handsome Landau drawn by thor-ough bred bays. The Astors are all careful to keep the privacy of life, and the grain to impalpable powder, rejected their selection of equippages is of a its richest portion, and supplied the lack solid rather than of a splendid character by intrusive and doubtful additions.

plate as upon paper:

"Probably the greatest of all bread wonders are the unleavened Graham cakes. These are worth a special mail and large postage to tell of. I was about to beg that you surprise H. with them at your next breakfast. But no, he won't like them; besides, according to the theory of Woman and her Era; they're a deal too good for men, they are fit only for women and angels. So just salt and seald some Graham mori into a dough as soft as can be made and be handled. Roll it an lack thick, cutting in diamonds, which place on a tin sheet and thrust into the hottest of overs. (Note this last direction, or the to be depressed. To be honest, for a few weeks I and the radical cakes were as satisfied as young lovers, but soon came temptations to progress from the primitive,—first to add a little sugar.— But I vetesd as resolutely as Andrew Jackson himself, thus putting up the hars between the wheat-field and cane-
